Family Focus

Welcome to Sunset on this first Sunday of the New Year! There is something empowering about having a clean slate and a fresh start. As we begin this new year remember those who are in need of our prayers. Last Sunday, Amanda LaCross came asking us to pray for her father, Bob Graham. I know you will keep Bob, Sandy and that entire family before our Father during this critical time. Continue praying for Deana Benton as she prepares for chemotherapy to treat her breast cancer. She received a little better news from her doctor this week which is encouraging.

Plan to be back tonight as we begin our New Year in Prayer. Several of our leaders will be leading prayers for a variety of ministries and needs within our church family interspersed with songs. What a great way to begin 2012!

As you face the freshness of this new year, rejoice in the goodness of God's forgiveness expressed so beautifully in Lamentations 3:22: "Because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness." My prayer for each member of this church family is that this will be a year of great growth in our knowledge and love of God.

Have a great week . . .

Joe

For this very reason, make every effort to add to your faith goodness; and to goodness, knowledge; and to knowledge, self-control; and to self-control, perseverance; and to perseverance, godliness; and to godliness, mutual affection; and to mutual affection, love. For if you possess these qualities in increasing measure, they

will keep you from being ineffective and unproductive in your knowledge of our Lord Jesus Christ.

(2 Peter 1:5-8)

YOUTH ACTIVITIES

Can you believe we get to celebrate another holiday on the Lord's day? I don't think I could come up with a better way to start a New Year if I tried. Thank you for making time to be with us this morning, I hope you're ready to praise God with all of your heart this morning! The CREW had a great lock-in last night with all the young people from Brookline, I'm so glad I don't have to stay up all night like that very often. It's hard to believe 2012 is here already, be sure to check your emails for updated 2012 spring calendars. There should also be a new January Newsletter for you as well. If you are a parent and you haven't seen either of those things please be sure to get me your email addresses! It's a new year, so be sure your commitment to God is renewed too. Take those blessings you've been given and make them happen in the lives of people around you! Have a blessed week!

Getting To Know You

Like several other of our members, Davina Easter was born in Salem AR and grew up in Mammoth Springs. After graduating,

she headed north and attended OTC and Drury, but more importantly she met Joe. Though born in Joplin, Joe hails from right here in Springfield. He graduated from Kickapoo and attended Drury and UALR.

Joe is an injury attorney and owns the Easter Law Firm, and Davina is the office manager for the Ronald McDonald Tooth Truck. When they're not working, the Easters love to be outdoors. Their hobbies include hiking, camping, hunting, mountain biking, target shooting, and Joe says he loves caring for his yard and landscaping.

However, come about noon today, you'll most likely find the Easters (along with Sniffer, their miniature Schnauzer) cheering on the Colts. 😊

Normally the Easters attend 2nd service and sit in the north overflow.
