Family Focus

Good morning and welcome to Sunset! What a wonderful way to start out this new week as we gather together this morning to worship God. We are so honored for the presence of each and everyone here this morning and especially our guests.

As you are reading this article today, please continue to be prayerful for our group that is traveling to be a part of the Black Hills Bible Camp. They are worshiping with our brothers and sisters in Sundance, Wyoming this morning and will be a part of the camp this week. They will then be traveling back home this weekend.

What an honor it was to be able to pray for a brother and sister in Christ last Sunday morning. We had a chance to bring both Jason Tonning and Joyce Strejcek before our Father in prayer. Please continue to pray for our families here at Sunset! We were then blessed on Sunday evening as our children shared with us some of the things they have learned in the Bible classes over this last year. A big thanks to our kids and teachers who worked so hard in putting the presentation together.

Joe and Vicki, it is great to have you back this morning and we hope that you had a good vacation. I hope that everyone has a great week and that we can all spend our week honoring Him in all that we do!

Dwight
