Family Focus

Welcome to Sunset! We gather today as the church, a worshipping community. There is nothing we will do this week that is any more important than what we will be offering to our God this Sunday morning.

It is exciting to see our numbers growing both in attendance and giving. I want to encourage all of us to continue to grow spiritually in this new year and there is no better way than to spend time daily in the Word. I am glad to know that several of you have made a commitment again this year to read through the entire Bible.

Honor God in all you do this week . . .

YOUTH ACTIVITIES

Wellō another week has come and gone! They seem to go by faster as I get older. The big question of the day though: how did you do with last week's challenge?? Did you pray with your family every night or maybe just a couple of nights? Did it feel awkward, or did it feel natural? What positives has your family gained from this experience? Is this something you can see yourself doing more often? Did you even take the challenge at all? Maybe those are all questions better suited for a survey, but I am very interested in knowing what your experience was like this past week. Please talk to me about it! If you missed out on the challenge last week, I want to issue the challenge again. Pray with your family this week! Don't let it just be a one-time experiment because the youth minister challenged you. Let it become a habit, something that you practice regularly with your family! Seriously, let me know if you tried it, and if you didn't, try it this week! I think you'll be surprised by what you find!

Getting To Know You

Jody and Angela (Romine) Chaffin were both brought up right here in the Show Me State+. Jody grew up in Rogersville and Angela grew up in Rolla. They met and married twenty years ago this past month.

Angela studied at Drury, and is now a stay at home mom with four young Chaffins to chauffeur and corral. She also is a Mary Kay Beauty Consultant and sells Melaleuca products in her spare time.

Jody attended MSU back when it was SMSU and owns his own business - The App Pros. And though he likes sports, he is still diehard Kansas City Chiefs fan. 😊

Rounding out the Chaffin crew are Kylie (14), Heather (11), Brooke (5), and Cody (3).

The Chaffins have attended Sunset Church of Christ for 9 years, usually attend 2nd service, and sit in the south overflow.
