Family Focus

"Welcome to Sunset! If you are here this morning as a result of an invitation from a neighbor or friend, we want you to know that you are our honored guest. Please make plans now to come back and be with us again next Sunday. We want to provide an atmosphere in which we can truly "worship in spirit and in truth." (John 4:24) We truly hope that our time spent together this morning will glorify God and be uplifting to all.

We are certainly glad to have our Mexico group back with us safe and sound. They encountered some treacherous roads as they traveled through Oklahoma, so we are so thankful to God for their safe return. We look forward to hearing an update of the work that continues in the Monterrey area. Please continue to remember Rick Owens and his work in Mexico in your prayers. Again, thanks go out to Joe Bright, Sherryl Chayer, Rick Foster, Jim Griffin, David Kail, Jeff Morris, and Mike Summers for their time and hard work this past week. It is never too early to start thinking about the summer trip. We will be getting details out later this spring.

Please continue to be prayerful for a couple of different dates in March. March 6th and 7th will be our Spring Meeting with Steve Powers. Then on March 13th, we will have our 3rd annual Wellness Fair. Please make sure that both of these events are on your calendar. Both are highlighted with more detail in this bulletin.

During this continued cold, winter weather, be mindful of those who could use a helping hand. May God bless you in all of your service this week.

YOUTH ACTIVITIES

It seems we've got a pattern of potentially cold and snowy Sundays going here! At any rate, if you braved the elements, I'm glad you did because today is a perfect day to be here and worship the Lord. Thank you to all the parents who made it out to our latest edition of Parents Meetings. I know 4pm is cutting into nap time, but it's always such an encouragement to Susanna and I to see you there! We talked about quite a few things, including needing some teachers who could step into class beginning in March, and a place for Caleb King to stay. I still need some teaching volunteers, and a place for Caleb for the second half of the summer. If you could help me out with either of these I'd be very grateful! Other than that, take a moment this week to hug your CREW Connect buddy! Have a great one!
