Family Focus

Welcome to Sunset! Last Sunday we welcomed two new members: Mary Purdom, who has lived here for many years and who is a former member of South National and Kristen Dingus, who is a student here in Springfield. Welcome these two sisters to our church family!

Today is an historic day here at Sunset as our new Hispanic minister, Mainor (pronounced Miner) Perez unveils plans for the planting of a new Hispanic congregation here in Springfield. All the adult and teen classes will meet together in the auditorium this morning to hear Mainor's presentation. Mainor is a native of Nicaragua and has been involved in ministry, church planting, preaching and teaching throughout Central America for many years. This qualifies him in a unique way to minister to the growing Hispanic population here in Springfield that is comprised mostly of Central Americans. Continue to pray for the visa process that will allow him to begin this work and will allow his wife and twin daughters to join him here.

To all you daily Bible readers: Don't quit!!!! Satan will do anything he can to stop us from feeding daily on the Word. Have a great week. . .

Joe

YOUTH ACTIVITIES

It's the beginning of another exciting week here at Sunset. It might be a little bit ironic that this time around the calendar Valentine's happens to fall on a Sunday. Not only are we able to celebrate the love we have with our husbands and wives and significant others; we're also able to come together and show our love for God! Parents, be sure and stop by the bulletin board and grab the new calendars that are out. Hopefully you got them in your email too! I also hope the CYC flyer made it to your inbox as well. If you don't get regular email updates from me, please contact me with your address so you can be updated as events come and go as well! Take some time to pray about your teen, whether it's your adopted one or your real one! Pray for their continued success in life but more importantly for strong relationships between the generations! Have a fantastic week!
