Family Focus

We welcome all who are guests today, and we especially want to welcome the Brumfield Family. Joe, Latina and their three teenage sons, are with us today from the Germantown Church of Christ in Memphis, TN. A group that is interested in the Willard Church Plant had the opportunity to share an informal evening with the Brumfields last night. Joe will be our speaker at both AM services today.

Another new soul has been added to the Kingdom! On Thursday evening, Dwight baptized Andrew Brown, the grandson of Kay Wilkinson. We rejoice with him and his family as he gives his life to Jesus at this young age. We also want to offer congratulations to Colin McFall for a perfect attendance record during the winter quarter in the 5-K's Sunday School class!!

Congratulations also go to Brian Allen who was recently named President of the Board for The Kitchen. Brian is one of several members of this church family who are involved in helping the poor and needy in our community.

Thanks to all who assisted with the Wellness Fair yesterday. It was a real success and we especially take our hats off to Debby Foster and thank her for all the hard work she put into this year's event.

We are now finished with most of the detailed Law section in our daily readings and are into some of the great Old Testament stories associated with the Conquest of Canaan! The readings should be easier for a while!!! Have a great week . . .

Joe

YOUTH ACTIVITIES

As much as the beauty of the snow reminds us of the glory of God, I think a thunderstorm brings to mind the tremendous power of our God! We experienced just a little bit of it Wednesday night and I'm glad we all made it through! We have a great opportunity today to worship Him! I hope you brought heart with you as we worship together. Togetherness is such a huge part of what we do as Christians. Not only do we worship together; we also play together, work together, and most importantly we eat together! As much as I like to eat I want to focus on working together, after all it is the "W" of the Sunset CREW. Working together can take on so many different meanings, from our physical jobs to simply getting along with one another, and I think they're all important aspects of this idea. We need to be able to get along with one another but we also need to be able to serve others with the abilities God has blessed us with. I pray service is an important part of your Christian life! It's the primary way we have to show the love of Christ to everyone around. As we go this week, find someone YOU can serve! Have a great week! Bryce
