## Family Focus

Welcome to Sunset!! We are off to a great summer. Our youth group is doing well under Bryce's leadership. And there are two additional blessings we have to celebrate. Since Bryce and Susanna's wedding, she has been a real blessing to our teens, especially the girls! To cap it off, our summer youth intern, Brian Gross is doing a great job in bonding with our teens. We have much to be grateful for with our wonderful youth group here at Sunset and the tremendous support network which exists among parents and volunteers!!

Our new power point system has been installed and we are in the "training" process. The elders want to ease into this and do it right from the beginning so it will enhance rather than distract from our worship. It will still be several weeks before announcements will begin being displayed.

Congratulations to Billy and Alison McQueary on the safe arrival of Cameron Blain last Thursday. Mother and baby are doing well.

Thanks again for all your prayers for safety as our group traveled to Mexico. Union Hill just got back yesterday from working on the same site in Monterrey. Have a great week...

Joe

## YOUTH ACTIVITIES

What a week it's been! I'm afraid I'll never get the paint off my arms and legs. If you're wondering what I'm talking about be sure and take a look at our youth room downstairs! Our young people have done an outstanding job giving it a fresh coat of paint and a little bit of a new look! I'm so excited by everything I've seen so far this summer I can't wait to see what the rest of it holds for us! Parents please have your child's health form returned to myself or Brian ASAP! I know they're a pain but they are very important. If you notice some gaping holes up front this evening it's because we'll all be out at Happy Hollow Bible Camp this week! Please keep us in your prayers. God Bless!
