Family Focus

Welcome to Sunset!! We are glad you are here today, whether as a guest or as a part of our spiritual family. Thanks to those of you who helped with the paper drive last Sunday for Fair Haven Children's Home.

Did you know that two of our college age young ladies who grew up here at Sunset served this summer as youth interns for two different congregations? Kendall Klein worked with the Auburn church of Christ in Auburn, Alabama and Stephanie Allen worked with the East Brainard church of Christ in Chattanooga, TN. Both churches have invited them to come back next summer and work with them again. We are proud of these two young ladies and know they will be a great influence for good in the Kingdom!

Congratulations to Cody Rollins and Tammy Maxvill who were married last weekend. They will be back with us next Sunday following a short time away. If anyone can help with transportation for Joe Ryan on Sundays or Wednesdays it would be greatly appreciated. He has his own vehicle and just needs someone who can drive it for him. Please contact the office if you can help.

I am excited about our Focus Study which begins in September. We will be studying the book of I Corinthians in all our bible classes and I will be preaching out of the same text on Sunday mornings. Have a great week . . .

YOUTH ACTIVITIES

I pray that everyone has had a successful beginning to another year of school! When everyone finally makes it back we will have a grand total of 7 brand new seniors in our midst. It's hard to believe how fast they've grown up since I've been a part of this ministry. I know their families are extremely proud of them, and as a church you should be proud of all their accomplishments as well! Please keep these seniors in your prayers! Parents please remember the parent's meeting this afternoon at 4:30pm; there's going to be a lot of new information coming your way and we would love to see you here! Let's have a great week as we go out to school and work. Find someone to share the gospel with this week!

Bryce
