FAMILY FOCUS

Good morning, and welcome to Sunset! I am so glad you've joined us today as we come into God's presence to worship him for everything he has done for us. It is our prayer that you leave today with a greater awareness of the love and grace of God that is extended to you in Christ.

After a short break last week, we are jumping back into the book of Exodus this morning. At this point in Israel's story, they have safely made it to the other side of the Red Sea, their enemies have been defeated, and they are now a new, free people. Significantly, the first thing they do after being saved is worship God. **Exodus 15** records the beautiful song of praise Moses, Miriam, and all of Israel sang on the other side of the Sea. This song teaches us about the essence of worship. We worship God for what he has done, for his unique holiness, and for what we know he will do in the future. I pray our worship today lifts our eyes from the struggles and frustrations of this world and fixes our gaze upon Christ!

I love you all,
Phillip
