## FAMILY FOCUS

Good morning, and welcome to Sunset! Happy Mothers' Day! So many of us have been profoundly blessed by godly mothers, and today, we want to honor them. Thank you to all the faithful moms who tirelessly serve and bless their families! I also realize that today can be a difficult day for many. To those who have lost their mother, or who didn't have a very good relationship with their mother, or who want to become a mother but have struggled to do so: We love you and want to acknowledge you today as well.

Today's sermon is from **Exodus 19**. After seven long, grueling weeks, Israel finally made it to Mount Sinai. When they arrived, they beheld a terrifying sight. The mountain was wrapped in clouds and illuminated by lightning. They could feel the thunder in their chests. The sound of a horn was getting increasingly louder. The earth trembled beneath them. They were terrified because they were in the presence of the holy God! God descended so dramatically on Sinai so that Israel would respect Moses's mediatorship and understand how holy and mighty their God was. **Hebrews 12** tells us that, as Christians, we have come to a better mountain where we experience God and his blessings in a much better and more significant way than Israel did. I am excited to dig into these passages together. I know God will bless us!

I love you all,  
 Phillip
