FAMILY FOCUS

Good morning, church family! As always, we pray you are well today, both physically and spiritually. It is our hope that our virtual worship service gives you the motivation to press on toward the goal we all have: being in heaven with our Savior forever!

As you may have heard, this is the last week we will be exclusively having online services! Next week (June 14) we will be having 3 identical services at our church building. To make sure we stay within certain guidelines, it is crucial we all attend the service we have been assigned: Last names beginning with A-F should attend at 9 a.m., G-M at 1:30 p.m., and N-Z at 5 p.m. Even though these services will look a little bit different, I am confident the excitement we will feel being together again will outweigh any awkwardness or inconvenience! Let’s be praying for a smooth reopening, not just at Sunset, but in our country as well!

Be sure to check the calendar as we have some events coming up you won’t want to miss!

YOUTH AND FAMILY

1 Corinthians 3:18

And we all, who with unveiled faces reflect the Lord’s glory, are being transformed into his image with ever-increasing glory, which comes from the Lord, who is the Spirit.

As Paul concludes chapter 3 in his letter to the Corinthians, he contrasts Moses and the Old Covenant with Jesus and the New. The main illustration he focuses upon is the glory of one to the glory of the other. With Moses that glory is veiled, but with Christ that veil is taken away. Verses 16-18 summarize how Jesus is reflected in our lives. When we choose to be followers of Christ our veil is removed and we are able to reflect Him. Consider how the moon lights up the night sky. It doesn’t have its own power, but it reflects light from another source. Similar to Moses who spent 40 days on the mountain with God. He wasn’t the source that made his face shine so brightly, it was his time with God.

What we learn from both Paul and Moses’ experiences, if God’s light and love is going to be reflected in our lives, we must come to him. We must choose to be in his presence. We must allow ourselves to be transformed. The Spirit of God must do its work within us, molding us, shaping us, and convicting us. The summer theme for our youth group is ‘Reflect’ because we want others to see Jesus in us. Looking in the mirror can be a struggle, seeing what we like and what we don’t like. But more important than our physical reflection is the light and love we receive and reflect from our heavenly Father. You’re invited to follow along in our study as we seek to ‘Reflect’ him.
